Client Parking Instructions: You will receive a code via email, text message, or push notification in our app for your appointment day, if you would like to use on site retail parking, please follow instructions below:

Parking Garage Entrance

- Enter the garage from the alley between Taylor Ave N and 5th Ave N. at the **north end of the building.**

- Enter the provided **PIN** on the keypad.
- Go down the ramp and turn left. Park in any space marked **“Retail”or“Valet”**

- Look for the orange doors marked **“North P1”.** You will see the mailroom behind the door
- Enter your **PIN** again on the pin pad to the left of the door. Take the elevator to the **1st floor** .

From the Elevator
- When you exit the elevator, the doors to the outside are **to your right.**
- Exit the building and turn right toward John Street.
- Turn **right** on John Street .
- Our doors will be **on the right** .

Alternative Route: Ramp Exit
- You can also walk up the ramp from the garage.
- The door at the top of the ramp is **motion-activated**. You may need to move around in front of the sensor to activate it.
- Once the door opens, you have two options:
  - Turn **left** and walk down the alley to **John Street.** Turn **left** on John Street. Our doors will be **on the left**.

OR
  - Turn **right** on Thomas Street. Turn **right** on Taylor Street. Turn **right** on John Street. Our doors will be **on the right.**

To Get Back to Your Car:

- Retrace your steps back to the elevator. You will need to **enter your code** to get into the building through the side door, and once more to go down to **P1** in the elevator. It will take you through the mailroom and back to the parking garage.
- Your code will not work for the call box at the front entrance to the leasing office.
